**Subject:** MICROSOFT SETTLEMENT

Dear Mr. Ashcroft, Microsoft, in my opinion, has offered a very fair settlement

after three years of great time and legal expense for both GOV. and MICROSOFT.

Lets settle this thing and schools will benefit, competitors can use prop. windows, customers have choices, and everyone (including Massachusetts) can return to being more productive!!

Cordially,  
Don M. Ward, Sr. , Charlotte, N.C.
